# MasterSeal Traffic Deck Coating Color Portfolio

# MasterSeal® Traffic Deck Membrane

## Color Portfolio

### One Component Top Coats

#### MasterSeal Traffic 1500 Waterproofing Systems

MasterSeal TC 225 and TC 235, one component top coat colors

Tan

Dark Tan

Gray

Charcoal

**Note:** MasterSeal TC 225 is also available in 100+ colors via colored pigment packets. Custom colors and color formulas are available upon request.

## Two Component Top Coats

### MasterSeal Traffic 2000 / 2500 / 2530 / 2575 Deck Coating Systems

MasterSeal TC 275, two component top coat colors

Gray

Black

Charcoal

MasterSeal TC 295, UV stable, two component top coat colors

Gray

Charcoal

**Note:** Colors are approximate; actual applications of MasterSeal Traffic systems may vary from colors shown. This color card is intended as a guide only. See your BASF dealer for actual color samples.

## Master Builders Solutions from BASF

The Master Builders Solutions brand brings all of BASF's expertise together to create chemical solutions for new construction, maintenance, repair and renovation of structures. Master Builders Solutions is built on the experience gained from more than a century in the construction industry.

The know-how and experience of a global community of BASF construction experts form the core of Master Builders Solutions. We combine the right elements from our portfolio to solve your specific construction challenges. We collaborate across areas

of expertise and regions and draw on the experience gained from countless construction projects worldwide. We leverage global BASF technologies, as well as our in-depth knowledge of local building needs, to develop innovations that help make you more successful and drive sustainable construction. The comprehensive portfolio under the Master Builders Solutions brand encompasses concrete admixtures, cement additives, chemical solutions for underground construction, waterproofing solutions, sealants, concrete repair and protection solutions, performance grouts and performance flooring solutions.

## Master Builders Solutions products from BASF for the Construction Industry:

### MasterAir<sup>®</sup>

Solutions for air-entrained concrete

### MasterBrace<sup>®</sup>

Solutions for concrete strengthening

### MasterCast<sup>®</sup>

Solutions for manufactured concrete product industry

### MasterCem<sup>®</sup>

Solutions for cement manufacture

### MasterEmaco<sup>®</sup>

Solutions for concrete repair

### MasterFinish<sup>®</sup>

Solutions for formwork treatment

### MasterFlow<sup>®</sup>

Solutions for precision grouting

### MasterFiber<sup>®</sup>

Comprehensive solutions for fiber reinforced concrete

### MasterGlenium<sup>®</sup>

Solutions for high-performance concrete

### MasterInject<sup>®</sup>

Solutions for concrete injection

### MasterKure<sup>®</sup>

Solutions for concrete curing

### MasterLife<sup>®</sup>

Solutions for enhanced durability

### MasterMatrix<sup>®</sup>

Advanced rheology control solutions for self-consolidating concrete

### MasterPel<sup>®</sup>

Solutions for water tight concrete

### MasterPolyheed<sup>®</sup>

Solutions for high-performance concrete

### MasterPozzolith<sup>®</sup>

Solutions for water-reduced concrete

### MasterProtect<sup>®</sup>

Solutions for concrete protection

### MasterRheobuild<sup>®</sup>

Solutions for super-plasticized concrete

### MasterRoc<sup>®</sup>

Solutions for underground construction

### MasterSeal<sup>®</sup>

Solutions for waterproofing and sealing

### MasterSet<sup>®</sup>

Solutions for retardation control

### MasterSure<sup>®</sup>

Solutions for workability control

### MasterTop<sup>®</sup>

Solutions for industrial and commercial floors

### Ucrete<sup>®</sup>

Flooring solutions for harsh environments

**LIMITED WARRANTY NOTICE:** BASF warrants this product to be free from manufacturing defects and to meet the technical properties on the current Technical Data Guide, if used as directed within shelf life. Satisfactory results depend not only on quality products but also upon many factors beyond our control. BASF MAKES NO OTHER WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO ITS PRODUCTS. The sole and exclusive remedy of Purchaser for any claim concerning this product, including but not limited to, claims alleging breach of warranty, negligence, strict liability or otherwise, is shipment to purchaser of product equal to the amount of product that fails to meet this warranty or refund of the original purchase price of product that fails to meet this warranty, at the sole option of BASF. Any claims concerning this product must be received in writing within one (1) year from the date of shipment and any claims not presented within that period are waived by Purchaser. BASF WILL NOT BE RESPONSIBLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL (INCLUDING LOST PROFITS) OR PUNITIVE DAMAGES OF ANY KIND.

Purchaser must determine the suitability of the products for the intended use and assumes all risks and liabilities in connection therewith. This information and all further technical advice are based on BASF's present knowledge and experience. However, BASF assumes no liability for providing such information and advice including the extent to which such information and advice may relate to existing third party intellectual property rights, especially patent rights, nor shall any legal relationship be created by or arise from the provision of such information and advice. BASF reserves the right to make any changes according to technological progress or further developments. The Purchaser of the Product(s) must test the product(s) for suitability for the intended application and purpose before proceeding with a full application of the product(s). Performance of the product described herein should be verified by testing and carried out by qualified experts.
